

HORIZON EUROPE

90 billion

OPPORTUNITIES

martel-innovate.com

WIN YOUR BID

Europe has pledged more than €90 billion for the Horizon Europe framework programme (2021-2027) and there's still a lot of Open Calls and funding available under Horizon 2020. Martel Innovate helps you at all stages of proposal preparation. Once your bid is successful, we offer consortium partnership, management & consultation services, help with project implementation, ICT research & innovation lab support, plus we are experts in communication and dissemination.

PROPOSAL PREPARATION & PARTNERSHIP

- ✦ Strategic pre-participation consulting
- ✦ Call identification
- ✦ Assistance with European Commission Authentication Service (ECAS) account
- ✦ Partner identification and consortium building
- ✦ Using the EC Participant Portal
- ✦ Defining clever concepts to craft original and inspiring proposals
- ✦ Overall proposal writing and submission
- ✦ Creating content for dissemination, communication and exploitation
- ✦ Writing the management work package, structure and procedures
- ✦ Budget and resources allocation
- ✦ Helping address any ethical issues
- ✦ Creating a logo, graphics and proposal layout

MORE THAN 20 YEARS' I

RUN A SUCCESSFUL PROJECT

As a partner or consultant to your project, Martel offers:

- ✦ **Project management** including administrative, financial and legal assistance and neutral advice on any disputes. We also help with running Open Calls
- ✦ **R&D consultancy** and development of innovative solutions combining IoT and cloud computing technologies in the field of Smart Cities, Industry 4.0 and Smart Farming
- ✦ **Dissemination & Communication** expertise including editorial, content production, events organisation, websites, social media, e-newsletters, graphic and video design

TRAINING COURSES

Martel offers fully customisable training courses on writing successful H2020 proposals, managing EC-funded projects, dissemination & communication, EC audits, using platforms including FIWARE and more. Our master trainers are happy to answer questions and we can tailor courses to your organisation's exact needs. A Martel training course is a great way to increase your expertise and boost your professional development. Begin your EU funding journey with Martel today!

INNOVATION EXPERIENCE

INNOVATION. WE MAKE IT HAPPEN

Martel is a Swiss-based company with more than 20 years' experience in research & innovation management and implementation. We work with, and for, top-notch players in the ICT space in Europe and worldwide.

Martel is specialised in European funding and our services cover the full innovation life-cycle. We offer help and partnership with proposal preparation, project management, technical support, training and communications expertise. Martel leads and coordinates many current projects and has a trusted and consolidated network of contacts.
